To whom it may concern,

The GBN group of companies do not have to register any materials, but we are, however obliged to ensure our material suppliers have, indeed, pre-registered. To this end, we have requested confirmation from our suppliers of their intent to pre-register between 1<sup>st</sup> June 2008 and 30<sup>th</sup> November 2008.

We would like to assure all customers that we are working within the directives of REACH to ensure the continual supply of our product range.
